

Humidity Controlled Storage

For Manufacturing, Laboratories and Preservation

DRY CABINET STORAGE

XDry humidity-controlled storage cabinets are self-contained, low maintenance storage systems. There is no need for nitrogen or compressed air, just plug into the wall and they are ready to go! XDry storage cabinets satisfy standards such as IPC/JEDEC J-STD-033 and IPC/JEDEC J-STD-020. The cabinet environment can be maintained from ambient to 1% RH, providing constant & stable storage at precisely the RH level you want.

XDry cabinets are the perfect solution for printed circuit board and moisture sensitive component storage.
