

# Large MSD Dry Cabinet 1104 Series

*A very large MSD dry cabinet that is IPC/JEDEC Compliant*

## **XDry Competitively Priced Dry Cabinets**

**XDry's largest standard cabinet is configured with 4 doors that close in on themselves, allowing the user to access the full width of the cabinet without any obstruction. The 1100 series can be equipped with 1, 2 or 3 dryers to suit any desiccating or dry storage specification, easily satisfying IPC/JEDEC 033 and 020 MSD handling requirements. This model is shipped standard with industrial castors, allowing for easy relocation wherever dry storage is required.**
